Dear gambino guests, dear partner and friends,

First and foremost, we would like to thank you for your years of loyalty and assure you that we, the entire team of gambino hotels & gambino cityhotels, will continue to be here for you, both in good, and in rather difficult times.

Rest assured, our top priority is your health and that of our employees. Together with our team who take care of you every day in our hotels, we are doing everything possible to ensure the respective measures are being followed even more thoroughly and carefully than before.

We have taken the following precautions against COVID-19:

- We consistently follow the recommendations of global and local health authorities (e.g. WHO and the Federal Ministry of Health).
- Our hygiene protocols have been reviewed and adapted to the current situation. We have increased the frequency of our cleaning cycles, including the disinfection of all surfaces in rooms and public areas such as lobbies, elevators, reception, etc.
- Our teams in the hotels know how to react quickly and appropriately to any suspected cases of coronavirus infection in our hotels.

The coronavirus (COVID-19) situation is developing rapidly and changes in travel arrangements or holiday plans will in some cases be unavoidable. We are fully aware that such changes can occur at short notice and assure that we will act and react with flexibility and understanding.

- We will keep our hotels, gambino hotel CINCINNATI, Wetterstein Hotel, and Hotel Stachus, open for you and should you need to travel, we will continue to welcome you there warmly, albeit with the necessary distance.
- Please understand we will not be serving breakfast at the Wetterstein Hotel and Hotel Stachus for the time being.
